

Requirements for New Affiliate Clinical Instructors of Pharmacy Practice

McWhorter School of Pharmacy, Samford University

Thank you for expressing interest in becoming an affiliate clinical instructor of pharmacy practice (i.e. a preceptor) for the Samford University McWhorter School of Pharmacy. To ensure that the school meets its accreditation requirements and its objective of providing the highest quality pharmacy experiences for students in our program, it is necessary for all preceptors to complete the following prior to being assigned students for experiential course work. All new affiliate clinical instructors must:

- Ensure that your site has executed an affiliation agreement with Samford University;
- Submit by fax (205-726-4214) or e-mail a completed “Preceptor-Affiliate Clinical Instructor Application and Information Form”.
- Agree to meet the preceptor quality criteria;
- Provide the experiential program with a copy of your CV or resume. We will accept the information submitted on the last page of the Preceptor- Affiliate Clinical Instructor Application and Information Form in lieu of the CV;
- Complete a free, 4 module (0.1 CEU) online preceptor development program. Please fill out the following survey to indicate you have completed the modules:
https://samford.qualtrics.com/SE/?SID=SV_0ensfcmnWMR0nBP;
- Continue to be in good standing as a preceptor with your state or national board of pharmacy.

If you have any questions about the process of becoming a new preceptor with the McWhorter School of Pharmacy, please contact one of the faculty or staff members below. We look forward to partnering with you in the education of student pharmacists!

Dr. Patricia Baldone Naro
Director, Experiential Program
